

**CEMETERY TRUSTEE MEETING  
SEPTEMBER 14, 2010**

**PRESENT: Janet Brown and Robert Gordon**

**GUEST: None**

**Meeting called to order @5:00pm.**

The minutes of the July meeting were read and accepted.

There was no meeting in August 2010.

Robert Gordon will look at Center Square Cemetery again to measure length, how many gates and granite posts that need to be replaced and he will meet with Don Burke this weekend to complete bid specs for this project. The Highway Dept. will remove old fence for us and help reset old granite posts.

Judy Rogers received a call from Heidi Pope who owns the Old Farm property on Barth Clough Road concerning a tree that had fallen into cemetery. Luckily no stones were damaged. She will show us how to get to site since old path is difficult to locate. Rob Gordon will do this for us.

We hope to have our own Article in the Warrant to take down and redo the old stone wall at Dow Peaslee Cemetery on Rte. 77. The wall has been weathered over the years and ready to collapse into the road. We asked for funds in last years Warrant but our request was with four other departments and Article was voted out. Don Burke will ask for this at budget meeting with Selectmen.

Good luck Don Burke with your surgery September 22, 2010.

Meeting adjourned at 5:46p.m.

Respectfully submitted,  
Janet Brown, Secretary
